## WELCOME FROM THE PRINCIPAL

On behalf of the staff and students, I extend a warm welcome to our wonderful school community.

We are blessed with a vibrant, friendly, school, filled with passionate and dedicated staff who work collaboratively and in partnership with parents, to nurture, educate and challenge each student. Our mission is to share with the students the Mercy tradition that began at our school with the Sisters of Mercy in 1922.

Students at St Joseph's are given the opportunity to shine in many different areas, which include, performing arts, public speaking, robotics, sacramental programs, swimming and many different sports, just to name a few. It is our wish to prepare students to be hope filled, independent, resilient and confident learners within an environment that nurtures students academically, socially, spiritually and emotionally. With active involvement of our entire school community, both family and parish, we endeavour to prepare our learners to be productive and empowered to make a positive difference to our world.

We are extremely appreciative of our families for choosing the gift of Catholic education for their children. We enjoy the responsibility of making each student's educational experience as rich and meaningful as it can be and look forward to working with you to achieve this. Your child deserves the very best and we commit to giving our best to you and your family at St Joseph's.

It is my privilege to lead this friendly community, which is striving to give the best education to all. We look forward to working with your family now and in the future.

Lucy Keath  
Principal

### OPEN DAY & INFORMATION FOR PROSPECTIVE FAMILIES

An Open Day is held every May, to give new families the opportunity to walk through the school. This is advertised in "The Courier", our Facebook page and all local kindergartens.

Guided tours are conducted by our Grade 6 student leaders. Staff will be available throughout the day to answer questions.

If children are able to do the following, they will be better equipped to fit easily into school life:

1. Know their full name and address and when possible, the most direct route to school.
2. Know road safety rules: when to stop and look both ways before crossing the road, and to always cross using the school crossing.
3. Know about their own personal safety, about safe people and help them develop a network of trusted adults who might be able to help them feel safe at all times.
4. Have independence in areas such as toileting, doing up buttons, tying shoelaces, putting on clothing and taking care and responsibility for his/her things.
5. Writing their Christian name.

These notes are kept as an appendix to the attendance roll and are part of the official school documentation.

Please notify the school in writing if you are going to be away and your children are going to be in the care of other people. Please include your dates of absence and details of the emergency contact.

The Government's Attendance Guidelines state: ***'schools must advise parents/guardians of unexplained absences, on the same day, as soon as practicable, including for post-compulsory aged students'***.

St Joseph's School is required to notify parents as soon as practicable on the same day of the unexplained absence, allowing time for the parent to respond. We will advise parents promptly of unexplained absences via text message.

After the first attendance recording each day, the school will identify students with an unexplained absence. The school will ensure that all known student absence information is crosschecked and that only students with an unexplained absence are identified for parent notification. For these students, the school must notify the parent as soon as practicable on that day.

Students arriving to school late (after the 8.50am bell), are required to sign in at the office.

Books are provided for parents and children to browse and purchase. Presently we hold two Book Fairs throughout the year, usually during term 2 and term 4.

### BUS PASS

Students requiring a bus pass to travel on a bus other than their usual bus or usual mode of transport are to have written consent from a parent, stating the child's name, the name of the bus they are travelling on, who they are travelling with and the time (a.m. or p.m.) and signed and dated by the parent. Issuing a bus pass is dependent on available seats on buses. Bus passes are to be handed to the bus driver at the time of travel.

### DRINK BOTTLES

Students are encouraged to have a non-spill drink bottle of water on their tables. These can be refilled at recess times.

### FRUIT TIME

Students are encouraged to have a healthy diet. Each morning at 10:00am students have a fruit/vegetable snack break and are encouraged to have unprocessed food. We also offer a fruit break at 12.20pm.

### PLAYGROUP

St. Joseph's Playgroup operates on a Thursday morning from 9.00am to 11.00am, for the St. Joseph's and wider community of Cobram.

### SCHOOL BANKING

School banking (Commonwealth Bank) operates on a Tuesday morning. Existing Dollarmite accounts can be included in this system. Students bring their bank books to school where it is processed and the book returned to their classroom.

Each deposit earns a credit for the school and each year the school receives a donation from the bank. Volunteer parents look after the school banking for you.

### SCHOOL CROSSING

Children are to use the school crossing when crossing the road. Parents are asked to take heed of the signs placed at either end of the crossing - i.e. park in the permitted area only, while the flags are displayed. Children are to obey the crossing attendant.

### SICK CHILDREN/ACCIDENTS

If a student is injured or ill, a staff member will administer first aid if necessary. Students will be monitored and parents or the emergency contact telephoned if the child requires further attention or needs to go home.

**Please ensure that your child's medical information and contact details are kept up to date in the Parent Access Module.**

**It is school policy that parents are notified if their child receives any sort of head injury.**

***St. Joseph's promotes the safety, wellbeing and inclusion of all children.***

## STUDENT DEPARTURES

If you wish to collect your child during school hours, please report to the school office and sign out your child. Your child will then be called to the office to meet you. Students are not to be collected by parents from the classroom.

**Written permission from the parent is required for any person, other than those listed on the enrolment form, to sign a student out of the school.**

If returning to school, please ensure you sign your child back in at the office.

No child is permitted to leave the school grounds at any time, other than with the permission of the principal and written permission of a parent.

## TOYS

Guns and any toy weapons are forbidden.

Children are discouraged from bringing expensive toys to school as these can be lost or broken.

## YARD DUTY

Students should arrive at school between 8:30am and 8:45am. Yard duty commences at 8:30am. Staff are on the premises prior to this time, preparing for the day, but are not in a supervisory role.

At 3:10pm students are to go straight home. Teachers are on duty until 3:20pm at the Broadway Street and Hay Avenue gate.

Country bus travellers are supervised until all buses have left the school.

Parents: It is your responsibility to ensure the safety of your child and the safety of others while you are in and near the school, either dropping off or collecting your child. This means:

- Taking care when your child leaves a car that is parked at the kerb. ***Please make sure children get out on the kerb side of the car –not on the road into the path of traffic.***
- Crossing Broadway Street at the traffic lights only.
- Crossing the road at the crossing in Hay Ave - not ***crossing between buses and cars that are parked at the kerb.***
- ***No scooters, bicycles etc. are to be ridden in the school grounds.***

## MEDICAL INFORMATION

### FIRST AID

First aid is administered by the school staff. If the matter seems serious, parents will be notified and action will be taken to give immediate medical attention. An Incident Record Book is maintained by staff.

### MEDICATION

The Administration Officer or delegate will administer medication during school hours, on the condition that correct dosage and frequency are clearly stated on our Administration of Medication Form, to be completed by the parent. Staff should be notified about students requiring medication in special circumstances, e.g. bee bites. All medication will be kept in a secure cupboard in the sick bay and is administered from there. A record is kept of all doses administered.

Students with special medical considerations have their details entered in the Medical File which is available to all staff. This file gives the details of the condition, medication, etc. Please contact the school if your child's information changes.

***St. Joseph's promotes the safety, wellbeing and inclusion of all children.***

### **SCHOOL NURSE PROGRAM**

Students from other classes can be referred to the Health Nurse during her visit. Referrals can be made at the request of parents or teachers.

### **CONTAGIOUS DISORDERS**

#### **HEAD LICE**

The control of head lice is an important aspect of school health which requires a co-operative effort of both home and school.

Parents are asked to let the school know of an outbreak so that the school community can be notified to check children's hair.
