27th November 2020

Dear Parents/Guardians,

Re: Easing of Restrictions

We have been advised that we can ease restrictions in regards to people entering the school. Please see below the changes and reminders beginning next week:

- We will not be taking temperatures at the gate but we will continue with hand sanitiser.
- Students are reminded to bring a water bottle to school, as the water fountains need a deep clean before we begin to reuse them.
- Parents are allowed to enter the school grounds. Please be mindful of wearing a mask.
- Transition for our 2021 Foundation students will go ahead. A separate letter will be emailed to our 2021 families.
- Graduation for our Grade 6 students will go ahead and options have been sent to the parents of Grade 6 students to make a decision.
- Our book fair will still go ahead.
- If your child has a sore throat, runny nose, cough or feeling unwell please keep them at home, if your child presents with these symptoms at school we will ring parents/guardians to collect their child.

Thank you for your patience and assistance during this year.

If you require clarification or have questions please do not hesitate to contact the school.

Kind Regards,

Lucy Keath
Principal
