

ST JOSEPH'S PRIMARY SCHOOL

CHILD SAFETY: CODE OF CONDUCT

St Joseph's Code of Conduct

Central to the mission of St Joseph's is an unequivocal commitment to fostering the dignity, self-esteem and integrity of children and young people and providing them with a safe, supportive and enriching environment to develop spiritually, physically, intellectually, emotionally and socially.

Purpose

This Code of Conduct has a specific focus on safeguarding children and our people at St Joseph's against sexual, physical, psychological and emotional abuse or neglect. It is intended to complement child protection legislation, school policies/procedures and professional standards, codes or ethics, as these apply to staff and personnel.

All staff, volunteers, clergy and advisory board members at St Joseph's are expected to actively contribute to a school culture that respects the dignity of its members and affirms the Gospel values of love, care for others, compassion and justice. They are required to observe child safe principles and expectations for appropriate behaviour towards and in the company of children, as noted below.

Acceptable Behaviours

All staff, volunteers, contractors, clergy and advisory board members are responsible for supporting the safety of children by:

- Adhering to the school's Child Safe Policy and upholding the school's statement of commitment to child safety at all times.
- Taking all reasonable steps to protect children from abuse.
- Treating everyone in the school community with respect.
- Listening and responding to the views and concerns of children, particularly if they are telling you that they or another child has been abused or that they are worried about their safety/the safety of another child.
- Promoting the cultural safety, participation and empowerment of Aboriginal and Torres Strait Islander children (for example by never questioning an Aboriginal and Torres Strait Islander child's self identification).
- Promoting the cultural safety, participation and empowerment of children with culturally and/or linguistically diverse backgrounds (for example, by having zero tolerance of discrimination).
- Promoting the safety, participation and empowerment of children with a disability (for example, during personal care activities).
- Ensuring as far as practicable that adults are not alone with a child.
- Reporting any allegations of child abuse to the school's leadership or Child Safety Officer.
- Understanding and complying with all reporting obligations as they relate to mandatory reporting and reporting under the Crimes Act 1958.
- Reporting any child safety concerns to the school's leadership or Child Safety Officer.
- If an allegation of child abuse is made, ensuring as quickly as possible that the child(ren) are safe.

St. Joseph's promotes the safety, wellbeing and inclusion of all children.

Unacceptable Behaviours

Staff and volunteers must not:

- Ignore and disregard any suspected or disclosed child abuse.
- Develop any 'special' relationships with children that could be seen as favouritism (for example, the offering of gifts and special treatment for specific children).
- Exhibit behaviours with children which may be construed as unnecessarily physical (for example, inappropriate sitting on laps).
- Put children at risk of abuse (for example, by locking doors).
- Initiate unnecessary physical contact with children or do things of a personal nature that a child can do themselves, such as toileting or changing clothes.
- Engage in open discussion of a mature or adult nature in the presence of children (for example, personal social activities).
- Use inappropriate language in the presence of children.
- Express personal views on cultures, race or sexuality in the presence of children.
- Discriminate against any child, including because of age, gender, race, culture, vulnerability, sexuality, ethnicity or disability.
- Have contact with a child or their family outside of school without the school's leadership or Child Safety Officer's knowledge and/or consent of the school governing authority's approval (for example, unauthorised after hours tutoring, private instrumental/other lessons or sport coaching). Accidental contact, such as seeing people in the street is appropriate.
- Have any online contact with a child (including by social media, email, instant messaging etc) or their family (unless necessary eg. by providing families with e-newsletters or assisting students with their school work).
- Use any personal communication channels/device such as a personal email account.
- Exchange personal contact details such as phone number, social networking sites or email addresses.
- Photograph or video a child without the consent of the parent or guardian.
